*There are six levels: Beginner; Basic; Pre-Intermediate;
Intermediate; Upper-Intermediate; and Advanced*

Level: Intermediate +

Learners at this level speak understandably and often confidently although they sometimes need time to think over how to express themselves. They have command over the fundamental grammar structures and are familiar with some of the more complex ones, but the latter are still difficult for them to use. Their vocabulary is large enough that they are sometimes able to employ the words and phrases which express their meaning precisely.

Overall Level: Intermediate +
